PROFILE

Motivated 3rd-year Computer Science Engineering student at Pandit Deendayal Energy University, with a strong interest in web development, front-end technologies, and Java programming. Proficient in Java (including Swing), Python, C, HTML, and CSS; currently advancing JavaScript skills. Certified in Java and Artificial Intelligence, with hands-on experience from workshops such as “Mastering the Web” and “AI Essentials.” Completed a CSSI internship and contributed to rural development through an NSS Camp. Eager to apply technical skills in real-world projects and collaborative environments.

EDUCATION

Bachelor of Computer Science and Engineering

Pandit Deendayal Energy University, Gujarat | India

Expected Graduation: 2027

- CGPA: 7.49/10
